

FUNVISOR NOONTIME ACTIVITIES

FunVisors are parent volunteers who offer fun activities and play with students during lunch recess. This program is part of Project Cornerstone, which hopes to provide an opportunity whereby adults can be role models and help child build a deeper connection to the school and their peers. The goal is to have at least two parents - FunVisors - per day offering fun activities during the noontime. Find out more in [What is a FunVisor?](#)
