**Tuesday, February 11, 2014**

Mountain View High School  
Spartan Theater  
3535 Truman Ave., Mountain View  
7:00-9:00pm

This interactive presentation will provide:

- An overview of the digital landscape through short video clips and discussion
- Benefits and challenges parents and children face living in a 24-hour digital media world
- Tools to navigate cyber-bullying, social networking sites, and digital reputations
- Common sense strategies for cyber-safety and managing media in your family
- Tools to help guide children to become smart, ethical producers and consumers of technology

Erica Pelavin, LCSW, Ph.D. and Gloria Moskowitz-Sweet, PPSC, LCSW, founded My Digital TAT2 which focuses on helping youth develop the critical-thinking skills they need to manage their own privacy, respect the privacy of others, and use cyber-sense and ethical decision making in their digital lives.
