

EARNING MONEY FOR SPRINGER IS EASY WITH ESCRIP!

LAST YEAR SPRINGER MADE ALMOST \$10,000 THROUGH ESCRIP!

SAFEWAY CARD

If you shop at Safeway, please register your Safeway card with eScrip, <https://secure.escrip.com/jsp/supporter/registration/step1.jsp>, and list Springer School PTA (137119970) as the beneficiary. Safeway donates up to 4% of your purchases to our school, depending upon how much you spend! If you use your phone number and don't know your club card number, call (877)723-3929 to find out your number. Your phone number will NOT work.

ASK FAMILY, FRIENDS AND NEIGHBORS TO SUPPORT SPRINGER WHEN SHOPPING SAFEWAY

The more people we can get to register their Safeway card with eScrip and designate Springer as the recipient of the earnings, the more Springer makes.

DON'T SHOP AT SAFEWAY? REGISTER CREDIT & DEBIT CARDS

If you register your credit card with eScrip, Springer also gets a percentage of your purchases every time the card is used at one of hundreds of merchants—from Draegers to Molly Stones to Big O Tires—the donations to our schools can really add up. For a complete list of merchants, go to <http://www.escrip.com/merchants/search>.

Keep your eyes open for this school bus logo at Safeway stores **Now through 9/11/12**. 10% of the purchase of participating products will go towards the schools!

If you ***ARE already registered for eScrip***, this will happen automatically.

If you ***are NOT registered for eScrip***, please register for eScrip by September 10 to ensure Springer gets the benefit from your 10% back to schools purchases.

SHOPPING ONLINE?

If you are ready to place an online order, please remember to go through ShopSpringer.com. If you don't find the store you will be shopping at on ShopSpringer, please go through escrip's online shopping mall so Springer gets credit for your purchase: <http://shopping.escrip.com/allstores/5400/alphaa>

REGISTER YOUR TARGET VISA

The more people we can get to register their Target Visa card with the Take Charge of Education program and designate Springer as the recipient of the earnings, the more Springer makes. Currently, Springer only has 27 cards registered that are earning money for Springer. Just those 27 parents have earned \$418 for Springer this past year. If you have a Target Visa, please register it for the Take Charge of Education program at: <https://www-secure.target.com/redcard/tcoe/home>. If you don't have a Target Visa, please consider getting one. You will get a 5% discount every time you shop at Springer, and Springer will benefit every time you shop at Target.
