

Attention: ...all Mountain View Residents attending Springer School

All Springer students are eligible for a Los Altos Library card – part of the Santa Clara County Library District. This is a limited access library card usually costing \$80 a year for non Los Altos residents.

This card allows students to check out up to five items. Students are able to attend summer reading programs and access Santa Clara County's virtual library 24/7, download books and access online tutoring and media resources.

This is a great opportunity!
If you are interested in receiving a complimentary Los Altos library card for your child, please fill out the application at

http://www.sccl.org/sites/default/files/uploads/about/nr_app_2_14_2.pdf

using your child's name and birthdate on the application.

Print and return it to the Springer office before Friday, April 4th. Your child will receive their new card shortly after Spring break.
