#### Principal's Welcome

Welcome to the set of Saturday Night Live! While I am certainly not Loren Michaels, I do fancy myself as a director of a fantastic ensemble of staff and parents, working together to put on the best show for our students. Sometimes it's comedic. Sometimes it's hectic (all live broadcasts can be). But, it's always good!

\*\*\*\*\*\*\*\*\*\*

Our goal tonight is to "pump up" the leverage of the Springer PTA to provide the very best for our students. Through your contributions at the auction, we have the power to deliver the "most excellent" education for our kids. We don't want our students to have a "girly man" education! So bid early and often knowing your dollars do make a significance difference at Springer.

If you don't think we can achieve our goals, just remember the affirmation of Stuart Smalley: "I'm good enough. I'm smart enough. And doggone it, people like me!"

Enjoy the evening.

From your "wild and crazy guy" principal,

Wade Spenader - Principal

Wade Spenad

We believe one mistake that's inexcusable is to make kids conform. Conform to schedules or rigid structures that are stifling. So we give kids choices. We jam-pack the possibilities. For the past 35 summers, our camp has been free of adult judgments and expectations. Because if kids don't make mistakes, they don't make anything. Ready to roll? Buy day passes. Use 'em anytime. Get a refund for unused passes.
