To Sponsors: The Walk-a-thon is one of the major fundraising sources for the Springer PTA. It funds many programs where State funding has been reduced, cut, or where it never existed. These programs include instructional materials, supplies, and printing costs. Funds also support student programs at Springer such as The Living Classroom (the districts hands-on science program), art and music enrichment, and noon-time clubs and activities. Students walk laps around a quarter-mile track and earn pledged funds for each lap*. The student you sponsor should give you an estimate of how many laps they will likely earn. You may pledge an amount per lap or a total flat donation. After the Walk-a-thon, the student will let you know how many laps they earned, and how much you owe. Checks should be made out to "Springer PTA". Your donation is tax-deductible. ***THANK YOU FOR YOUR SUPPORT!***
