

Springer Elementary School Project Cornerstone Application

Project Cornerstone has become a vital part of our curriculum. This character development program gives our students the coping skills and strategies to assist them in difficult social situations. Part of the program's strength is that it utilizes parent volunteers to deliver the elements of the program. In this way, children make further connections with adults in their community- an essential asset that children need to be successful adults.

We are currently looking parent volunteers to fill the following roles for Springer's Project Cornerstone program.

- ABC Docents- parents who to deliver character lessons to classrooms each month, using the selected Project Cornerstone book. Each lesson is prepared for the docent.
- FunVisors- parents who run or assist lunchtime activities, creating positive interactions with kids, giving students more options at lunchtime other than the library or ball games. Currently, Lego Club, Art Club, Run 4 Your Life, Spring-O (bingo), and Nature Zone are lunchtime programs run by the FunVisors.
- Expect Respect Docents- parents who work with 5th and 6th graders to help them implement their action plans. The action plans are created by student groups who attend an Expect Respect training at school.
- Publicity/PR- parents who assist in informing the community about the great things Project Cornerstone is doing for Springer. Creating banners to be hung around campus is an example of this.

If interested in any of these positions, please fill out the information below and return to Wade Spenader via the office.

Name_____

Grade Level(s) my child(ren) are in next year_____

Check any role that you are interested in filling:

____ ABC Docent ____ FunVisor

____ Expect Respect Docent ____ Publicity/PR

Briefly, what motivates you to be a part of Project Cornerstone at Springer?

Please turn completed form in to the Springer office.
